## How to get the right USCG Drug Test

To receive a USCG license you will need to pass a DOT 5-panel Test and have it signed by a Certified Medical Review Officer.

### WHICH DRUG TEST?

Only a DOT 5 Panel (SAMHSA 5 Panel, formerly NIDA 5), testing for marijuana, cocaine, opiates, phencyclidine (PCP), and amphetamines will be accepted.

### HOW DO I FIND ONE?

We recommend Googling Drug Testing Collection Facility near me. Then follow the next steps.

### WHATS MM-SEAS?

We are USCG licensing software that makes it easy for you to renew, upgrade and get your first merchant mariner credential.

### NEXT STEPS

#### Schedule

Contact a collection facility near you and ask if they do DOT 5 Panel Drug tests.

#### Take the Test

Confirm that you are taking a DOT 5 Panel Drug Test that will be signed by a MRO

#### Results Emailed

They will email you the negative result with an MRO signature on it in a few days to a week
